

STEERING BOSS FOR IMPORT CARS

Steering Wheel Adapter for Imported Vehicles

(This is the steering wheel adapter for corresponding to imported vehicles of an airbag.)

By installing this MARS steering wheel adapter, it became possible to equip with the MOMO and the NARDI type sport steering to the airbag imported vehicles which was not able to correspond until now.

Notes:
Cannot be used on vehicles with no airbag
It becomes impossible to use an original airbag by exchanging for a sport steering wheel.

MARS now releases the much awaited Import Vehicle specific Steering Wheel Adapter!!

Allows for airbag equipped vehicles to change the steering wheel. By using an original model with vehicle specific design, the aluminum die-cast MARS brand steering wheel adapter focuses on customer safety and incorporates the latest technology in welding, manufacturing and heat treatments.

In addition to it's patent holding universal design, the adapter also accommodates the popular MOMO and NARDI steering wheel types.

Applicable Manufacturers:

ALFA ROMEO / V. W / AUDI / BMW / CITROEN / FERRARI / OPEL / BENZ / PORSCHE / PEUGEOT / NEW MINI / ROVER / MINI-etc
