

# BRAKE PADS

## European Vehicle Brake Pad

Gurt Brake Pads have excellent stopping performance, have minimum brake dust, and little brake noise. It is a highly balanced and ideal brake pad for imported vehicles. Emphasis has been placed on initial braking as well as pedal feel for maximum safety. The brake pads also excel in brake fade prevention, wear resistance and rotor preservation. Click on a brand in Web site of Martel to view a vehicle specific product chart

**A brake pad that sets a new standard has arrived!!**
